Product information

This classic coverall is a great addition to the flame resistant range. Offering lots of functional features such as a radio loop and concealed mobile phone pocket this style guarantees maximum comfort, performance and safety.

Bizflame™ Work

BizFlame™ Work has been developed and designed using the highly innovative Bizflame™ Work flame resistant fabric with added anti-static properties. Certified to a range of international standards. Triple stitching and brass zips throughout for extra strength and durability.

Flame Resistant

This industry leading flame resistant range provides multi standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
