Product information

FR60 is constructed with highly innovative Bizflame Work HV fabric. This comfortable garment offers protection against multiple risks including exposure to heat, fire, chemicals, electrical arcs and welding. Features include twin-stitched Hi-Vis strips on chest, arms, shoulders and legs, concealed 2-way front brass zip, two concealed front chest pockets with piping detail, concealed side access pockets, hip pockets and rule pocket. The garment also has patented knee pad pockets designed with an innovative two tier adjustable system.

Bizflame™ Work HV

The multi-risk protective clothing combines a wide usability with optimal safety and protection for the wearer. The fluorescent colour and flame-resistant reflective striping protect the wearer in situations of poor visibility. Triple stitched seams for ultimate construction quality. High quality brass zips throughout and industrial wash flame resistant reflective tape. Multiple pockets offer secure storage and convenience on the job.

Flame Resistant

This industry leading flame resistant range provides multi standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
