Product information

Lightweight and practical, these stylish trousers provide comfort and protection against adverse weather conditions. Features include waist elasticsation for comfort and ease of movement, stud adjustable hems for a secure fit and taped seams for full protection against wind and rain.

190T Essentials

Made with 100% polyester 190T yarn, this plain weave fabric is durable and hard wearing for tough conditions. This fabric is lightweight and has superb abrasion and tear resistance. It has a PVC coating inside which makes the fabric waterproof and has a water repellent coating on the outside which helps keep the garment clean.

High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.
