

KN40 - Retractable Safety Cutter

Collection: Knives

Range: PPE Accessories

Materials: Zinc Alloy, Rubber

Inner Pack: 12

Outer Carton: 72

Product information

The latest super safety cutter featuring a blade that retracts when it loses contact with material being cut. Primarily for use in warehousing, distribution or construction environments where knives are often used and safety is a priority. Pack contains 10 replacement blades (KN91).

Knives

Portwest knives provide a full range of cutting solutions including replacement blades. Our knives offer razor sharp precision and are ergonomically designed for easier handling. Using only high quality materials, they are used across a wide variety of industries including factories, warehouses, trades men and D.I.Y enthusiasts. You can trust our knives and blades to perform while making safety a priority.

PPE Accessories

Offering you a variety of products that can ensure safety and protection within your workplace. Ranging from visual warnings for indoor and outdoor use, to back support for tasks relating to heavy lifting.
