

PW85 - Elbow Support Sleeve

Collection: General PPE

Range: PPE

Materials: Nylon, Elastane

Outer Carton: 200

Product information

This comfortable elbow support sleeve reduces the risk of injury from physical exertion and heavy lifting. By stabilising and strengthening the joint it can also provide pain relief from existing elbow conditions. The elasticated design and adjustable compression strap ensure excellent freedom of movement. It can be worn on the left or right arm.

PPE

Portwest Head PPE range applies the latest standards to deliver the highest level of protection. Comfortable and lightweight, the PPE range will ensure a pleasant wear, even for long periods of use. Your safety is our mission.
