

RD60 - ST60 Biztex 4/5/6 Coverall

Collection: Biztex Micro

Range: BizTex™

Inner Pack: 25

Outer Carton: 50

Product information

The Microporous Coverall offers excellent chemical, biological and dust protection. Ultra low linting with bound tape seams, an extremely effective barrier to chemicals. Ergonomical design for unrestricted movement, comfort and breathability.

Biztex Micro

Portwest BizTex™ Micro fabric is a polypropylene substrate to which a laminated microporous polyethylene layer is applied (PP/PE). The outer layer of the fabric prevents the passage of liquid molecules inwards, yet permits the vapour molecules that build up inside to permeate.

BizTex™

All protective garments under the heading of PPE (Personal Protective Equipment) are controlled in Europe under PPE Regulation EU 2016/425. Portwest has an extensive range of clothing that complies with Category 3 of this regulation.

Features

- CE-CAT III
- Elasticated hood, ankles, cuffs and waist
- Low linting construction for minimal contamination
- Taped seams to provide additional protection
- Two-way zip for quick and easy access
- Ergonomically shaped hood for a perfect fit
- CE certified
- Anti-static
- Taped seams to provide additional protection
- Retail bag which aids presentation for retail sales
