Product information

Designed with rail and other industries in mind, these trousers have the added feature of side leg zips with placket so they can be easily worn over trousers or jeans.

300D Industry High Visibility

A comprehensive range of single and combination garments in a highly durable, EN343 certified fabric including some new cleverly designed and innovative styles.

High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.
