Product information

Highly water resistant and flexible fabric with welded seamsFully elasticated waistband Snap adjustable hems for a secure fitGenerous fit for wearer comfort

Sealtex® Ocean

Sealtex® Ocean is very soft and extremely flexible. It does not have the rigid stiffness usually associated with PVC blended fabric. This fabric is tested and proven to be highly water resistant. It has an additional tricot knitted backing for maximum wearer comfort.

All Weather Protection

Portwest All Weather Protection is engineered with exceptional fabrics and designs, allowing an easy transition between work and leisure. Tested to withstand the rigors of everyday wear, each garment has been designed and manufactured using the best quality materials and high technology construction techniques to ensure total satisfaction with wear after wear.
