Product information

Using a waterproof rip-stop fabric, this jacket is a stylish addition to the TK2 range. With fleece lining and padded sleeves, it provides comfort and warmth as well as protection. Key features include pack-away hood, zipped pockets, hook and loop cuffs and print access for personalisation. The storm flap gives protection from wind and rain and draw cord hood and hem allow for an excellent fit.

TK2™ Breathable

The Portwest collection of TK2™ jackets offer maximum waterproof, windproof and breathable performance. Classic styling combined with a contemporary fit and print access make these jackets the perfect choice for corporate wear. Fleece linings and detachable garments ensure the wearer is comfortable and warm in cold weather conditions.

All Weather Protection

Portwest All Weather Protection is engineered with exceptional fabrics and designs, allowing an easy transition between work and leisure. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured using the best quality materials and high technology construction techniques to ensure total satisfaction with wear after wear.

Standards

EN 343 Class 3:1 X (WP 5,000mm)
