Product information

This high performance jacket offers maximum waterproof, windproof and breathable protection for year round performance. Using a highly durable outer fabric, with an air permeable mesh lining this jacket ensures total comfort in foul conditions. High specification features, such as water resistant zippers, ergonomic cut, engineered storm hood & multiple pockets provide superb function. A sporty fit and low profile design ensure this is the jacket of choice for demanding conditions.

PWR Rainwear™

The PORTWEST PWR™ collection is constructed from Portwest Extreme, a premium high performance waterproof and breathable fabric. Using state-of-the-art technology, the base fabric has been engineered to provide a technical barrier against the elements. This provides the maximum waterproof, breathable and windproof protection, which far exceed the current highest requirements.

All Weather Protection

Portwest rainwear is engineered with exceptional fabrics and designs, allowing these garments to transition between work and leisure. The best quality materials and high technology construction techniques are used throughout, guaranteeing the ultimate in all-weather protection. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured with care to ensure total satisfaction wear after wear.
