

S562 - RS Parka Jacket

Collection: Ripstop

Range: All Weather Protection

Shell Fabric: 100% Polyester, Ripstop, PVC Coated

Outer Carton: 12

Product information

When compared to competitor jackets, the S562 tested better for fit, function and value for money. The tough outer shell has taped waterproof seams providing outstanding waterproof protection. The 170g wadding keeps warmth trapped in without making the jacket bulky. Features include smart reflective piping to chest and sleeves and multiple pockets for all storage needs.

All Weather Protection

Portwest All Weather Protection is engineered with exceptional fabrics and designs, allowing an easy transition between work and leisure. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured using the best quality materials and high technology construction techniques to ensure total satisfaction with wear after wear.

Standards

EN 343 Class 3:1 X (WP 5,000mm)
