

SM33 - 120 Litre Maintenance Kit

Collection: Maintenance Spill Range

Range: Spill Control

Outer Carton: 1

Product information

An economical kit packed in a yellow 2-wheeled industrial strength polyethylene bin. This is ideal for moving to the point of a spill. The maintenance pads have coverstocks that hold the pads together even when saturated.

Maintenance Spill Range

These products are grey in colour and will absorb all kinds of industrial liquids including oil based and water based spills. Ideal for use in industrial situations where many different liquids are present at the same time.

Spill Control

Introducing a large range of spill control products that efficiently manage any industrial liquid hazard. These products are now needed to comply with health and safety regulations and are your first line of defence against a variety of spills.

Standards

BS 7959-1

BS 7959-3
