Product information

The Vending Flexo Grip Nitrile Glove has been specially packed for vending machines. The nitrile coating on this glove gives enhanced abrasion resistance. Ideal for auto repair, construction and other sectors. The packaging itself has been compressed to maximise machine capacity.

Hand Protection

A wide and increasing range of hand protection products is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products....

Standards

EN ISO 21420: 2020 Dexterity 5

EN 388: 2016 + A1: 2018 (3121X)
